CALL FOR PROPOSALS

Recruitment of a consultant to facilitate a CSO learning workshop and develop a policy brief on locally led peacebuilding initiatives.

The Lake Chad Basin Commission (LCBC) is a regional organisation comprising Cameroon, Niger, Nigeria, Chad, CAR and Libya. Its mission is to promote cooperation among Member States for the equitable and sustainable use of the natural resources of the Lake Chad Basin for economic purposes and to assist in resolving disputes.

In collaboration with UNDP, LCBC has been implementing a pilot CSO-focused project with support from the Peacebuilding Fund (PBF). The project, Promoting CSO-led Peacebuilding Initiatives in the Lake Chad Basin Sub-Region, aims to address critical stability and peacebuilding needs within the Lake Chad Basin region. This initiative combines efforts from UNDP, the Lake Chad Basin Commission (LCBC), and civil society organizations (CSOs) to implement grassroots peacebuilding activities aligned with the Territorial Action Plans (TAPs) of the Lake Chad Basin Regional Strategy on Stabilization, Recovery and Resilience. The project spans four countries—Cameroon, Chad, Niger, and Nigeria.

Since its launch in 2024, the project has progressed significantly, having conducted calls for proposals in four countries that selected over 50 local CSOs across Cameroon, Chad, Niger, and Nigeria to implement community peacebuilding initiatives (both within the territory and cross-border).

As a pilot project, monitoring and learning is key in order to identify lessons and recommendations for scaling up implementation. As such, the LCBC in collaboration with UNDP is organizing a regional CSO learning workshop, bringing together a cross section of CSO beneficiaries across the four countries. The workshop will also produce policy recommendations that will feed into a policy brief on locally led peacebuilding interventions. It will be held from October 2nd to 4th, 2025 in Abuja, Nigeria.

LCBC is recruiting a consultant who will facilitate this learning workshop and produce the policy brief. Further information about this call including the tasks, deliverables, and duration of assignment is available in the Terms of Reference.

Interested candidates may download the Terms of Reference at www.cblt.org or request at the office of the Lake Chad Basin Commission (LCBC), located at Rond point de la Grande Armée, P.O. Box 727 - N'Djamena, Republic of Chad: Monday to Friday from 8 a.m. to 3:30 p.m., local time.

Proposals (technical and financial) can be written in French or English and should include a methodological note, letter of purpose / motivation addressed to the Executive Secretary of the LCBC, resume/CV, and financial proposal. **Proposals must be submitted electronically to RegionalStrategy@cblt.org, cab@cblt.org, and cblt.lcbc@gmail.com. The deadline for the submission of all proposals is 13th September 2025.**

Submissions will be reviewed in accordance with the Administrative, Financial and Accounting Procedures Manual of the LCBC.

Hycinth Banseka
Technical Director
