Grant No.: 5900155019267 and 2100155043847

Date: 08.../28.../ 2026

1. The Lake Chad Basin Commission (LCBC) received funding from the African Development Bank Group to cover the cost of the **Technical Support Project for the Restoration of the Ecological and Economic Functions of the Lake Chad Basin**. The Lake Chad Basin Commission (LCBC) intends to use part of the proceeds of this grant to finance a contract to **develop and validate an action plan for mainstreaming gender into natural resource management, as well as a guide to gender-responsive budgeting in the water sector in the Lake Chad Basin**.
2. The services to be provided under this contract shall include: a gender diagnostic analysis of natural resource governance and the water sector in LCBC Member States; the development of a Strategic Action Plan to mainstream gender into natural resource management in the Lake Chad Basin; and the development of a Technical Guide on gender-responsive budgeting in the water sector, adapted to national frameworks.
3. The duration of the assignment is four (4) months from the date of notification of commencement of services issued by the Project Coordinator.
4. The Lake Chad Basin Commission (LCBC) invites specialised firms and agencies to express their interest in providing the services described above. Interested firms and agencies must submit information demonstrating their capacity and experience to deliver the services, including documentation, references of similar assignments, experience in comparable missions, and availability of qualified personnel.
5. The eligibility criteria, shortlist and selection procedure will be in line with the **Procurement Framework for Bank Group-Financed Operations, October 2015 edition**, available on the Bank's website at <http://www.afdb.org>.
